

## Student Account Home: Account Home Management

When students log into ALEKS with their login name, they will arrive at their Account Home.

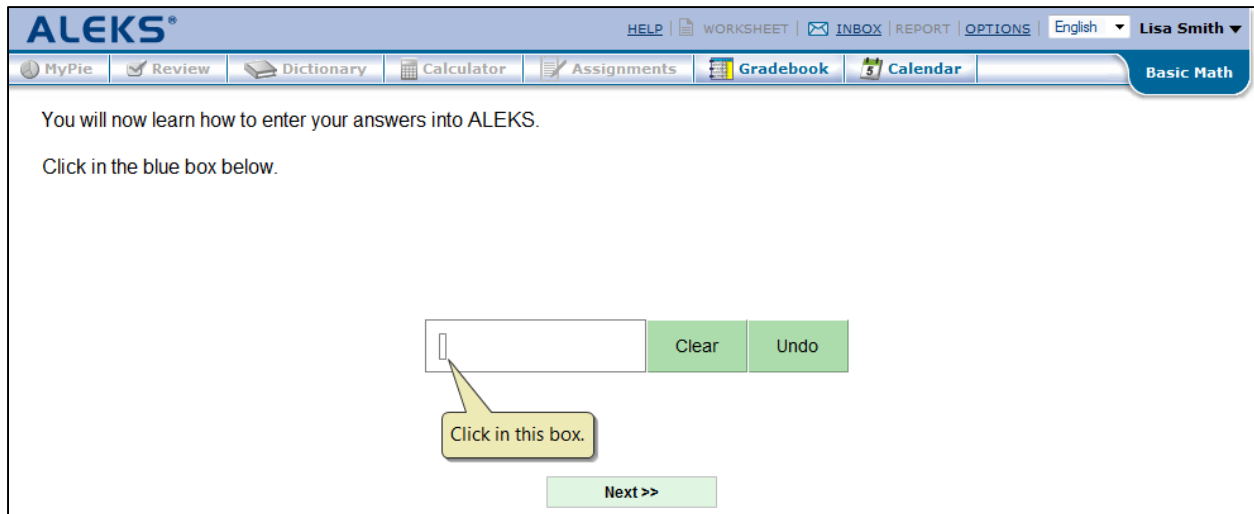

The screenshot shows the ALEKS Account Home interface for user Lisa Smith. At the top left is the ALEKS logo, and at the top right is the user name "Lisa Smith" with a dropdown arrow. Below the header, a welcome message reads "Welcome back, Lisa!". A prompt follows: "Click on one of your active classes to continue working on ALEKS or click on 'Sign up for a new class' to enroll in a new class." Below this is a green button labeled "Sign up for a new class". The main content area is divided into two sections: "ACTIVE (1)" and "INACTIVE (0)". Under "ACTIVE (1)", there is a card for "Truman College" containing the class name "[Basic Math / Basic Math7232012 - 100](#)", an "Actions" dropdown menu, and details: "Instructor: Dr. Smith", "Last Login: 07/25/2012", "Expiration Date: 12/08/2012", and a "Show more" link. The "INACTIVE (0)" section states "There are no inactive classes."

## Signing Into a Class from the Account Home

Students can click on the class name link to log into a class.

This screenshot is identical to the previous one, but with a red rectangular box highlighting the class name link "[Basic Math / Basic Math7232012 - 100](#)" in the active class card.

After clicking on the class name link, students can begin working in their ALEKS class.

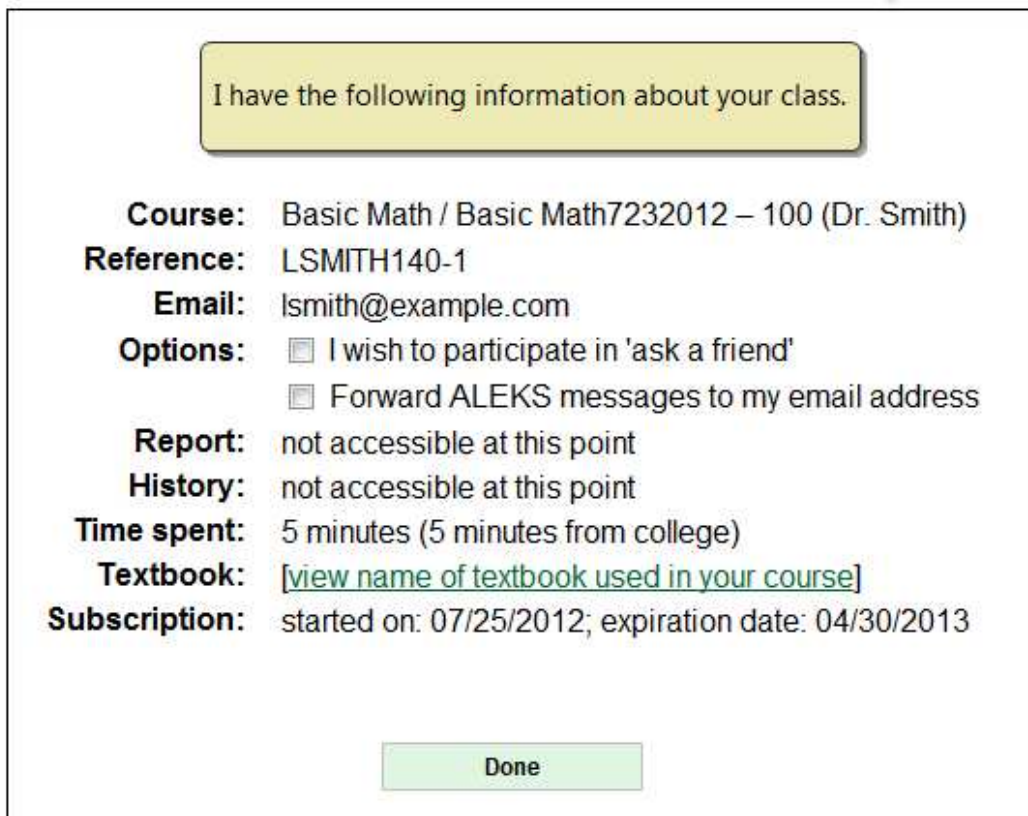

The screenshot shows the ALEKS interface with a navigation bar at the top containing 'HELP', 'WORKSHEET', 'INBOX', 'REPORT', 'OPTIONS', 'English', and 'Lisa Smith'. Below the navigation bar are icons for 'MyPie', 'Review', 'Dictionary', 'Calculator', 'Assignments', 'Gradebook', and 'Calendar'. The main content area displays the text: 'You will now learn how to enter your answers into ALEKS. Click in the blue box below.' Below this text is a text input field with a 'Click in this box.' callout bubble pointing to it. To the right of the input field are 'Clear' and 'Undo' buttons. At the bottom of the input area is a 'Next >>' button.

NOTE: The “OPTIONS” page now only includes settings specific to the selected class since students will use the Student Account Home to manage their classes.

This screenshot shows the ALEKS interface with the 'OPTIONS' link in the navigation bar highlighted by a red box. A red arrow points from the 'OPTIONS' link down to the next screenshot.

The screenshot shows the 'OPTIONS' page with a yellow callout box at the top that says 'I have the following information about your class.' Below this, the following information is displayed:

- Course:** Basic Math / Basic Math7232012 – 100 (Dr. Smith)
- Reference:** LSMITH140-1
- Email:** lsmith@example.com
- Options:**  I wish to participate in 'ask a friend'  
 Forward ALEKS messages to my email address
- Report:** not accessible at this point
- History:** not accessible at this point
- Time spent:** 5 minutes (5 minutes from college)
- Textbook:** [\[view name of textbook used in your course\]](#)
- Subscription:** started on: 07/25/2012; expiration date: 04/30/2013

At the bottom of the page is a 'Done' button.

## “Show more” Link

Students can click on the Show more link to see details about a class. Clicking on the “?” by “Current Progress” opens a pop-up that displays a legend to explain the Current Progress bar. NOTE: Current Progress only appears for active classes.

1 Enter Class Code 2 Confirm Course Code 3 Student Information 4 Registration Complete

### Sign Up for a New Class

Register here if you need to use ALEKS with a new class.

To begin, enter your 10-character class code below. You should have received this code from your teacher.

**Please enter the new course code:**

Course code:  -  [what's this?](#)

**> Register** [Cancel](#)

The student views the class details and clicks on the “>> Continue” button.

**ALEKS**® Lisa Smith ▾

1 Enter Class Code 2 Confirm Course Code 3 Registration Complete

### Confirm Enrollment Information

You are about to be enrolled in the following course. Please check the course details carefully. If the information is correct, click "Continue." If the information is incorrect, click "modify" to enter another course code.

Course: Beginning Algebra (College)  
Subject: Beginning Algebra  
Instructor: Mr. Jones  
School: Truman College [\(modify\)](#)

**>> Continue** [Cancel](#)

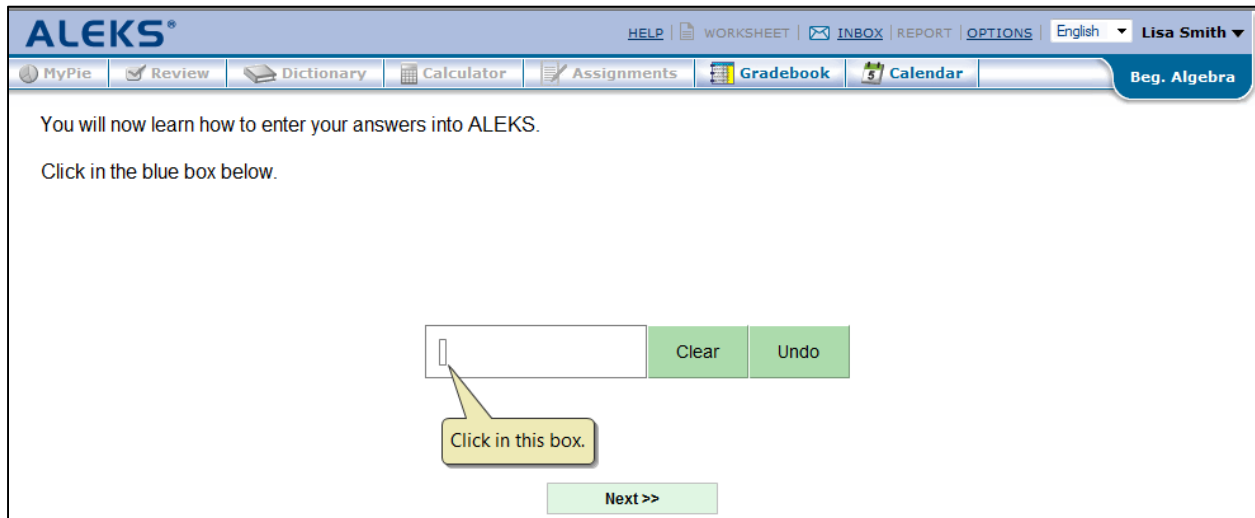

The student enters a 20-character access code.

The screenshot shows the ALEKS registration process. At the top, the ALEKS logo is on the left and 'Lisa Smith' with a dropdown arrow is on the right. Below the logo is a progress bar with three steps: '1 Enter Class Code', '2 Confirm Course Code', and '3 Registration Complete'. The main heading is 'Enter Your Access Code'. Below this, there is instructional text: 'If you have a 20-character access code, enter it below.' and 'If you do not have an access code, you can purchase an access code online. If you have already purchased an access code online, you can find the code on the receipt that was e-mailed to you.' A form contains four input boxes for the access code, separated by dashes, with a 'what's this?' link. A red box highlights a green '>> Continue' button.

The student receives a confirmation message. Clicking on the “>> Continue to your ALEKS class” will take the student to ALEKS and she can begin working in her class.

The screenshot shows the 'Registration Complete' page. At the top, the ALEKS logo is on the left and 'Lisa Smith' with a dropdown arrow is on the right. Below the logo is a progress bar with three steps: '1 Enter Class Code', '2 Confirm Course Code', and '3 Registration Complete'. The main heading is 'Registration Complete'. Below this, there is a yellow box with a green checkmark icon and the text: 'You are enrolled in: Class: **Beginning Algebra**, Subject: **Beginning Algebra**, Instructor: **Mr. Jones**, School: **Truman College**. Below this box, it says 'Reminder! Your Login Name is: **LSMITH140**'. Underneath, there is a section titled 'ALEKS Plug-in Detection' with the text 'We will now check your computer to see if you have the ALEKS plug-in. [Learn more](#)'. At the bottom, a red box highlights a green '>> Continue to your ALEKS class' button, and a blue 'Back to account' link is to its right.

After clicking on the “Continue to your ALEKS class” button, the student will be taken into her new class and she can begin working in ALEKS.

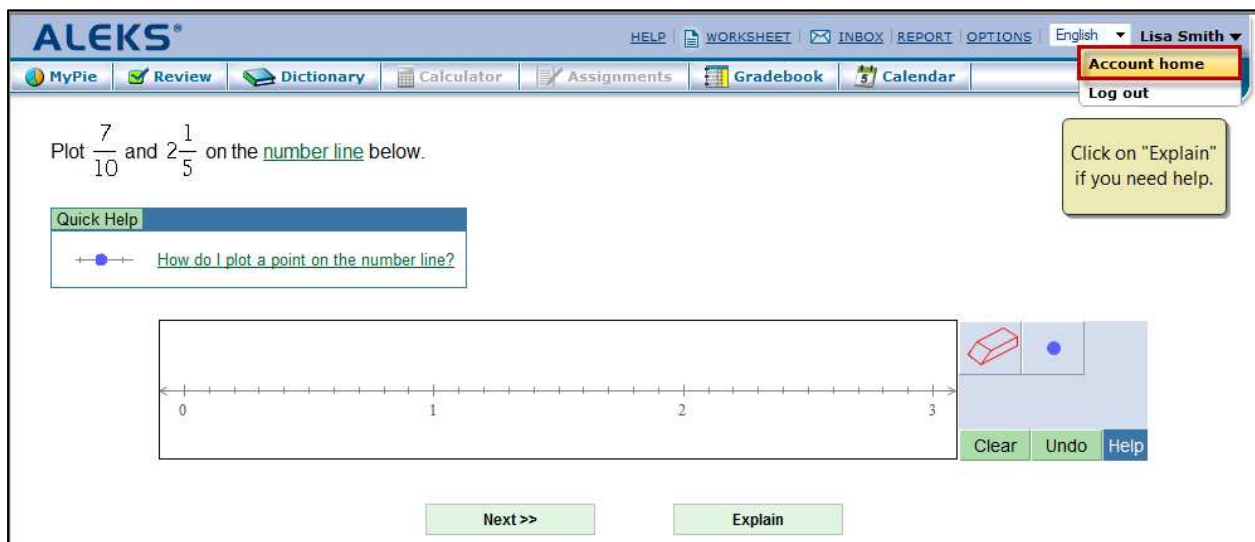

### Logging Out of a Class

Students can log out of a class by clicking on the arrow beside their name, and then selecting “Log out” from the drop-down menu.

### Accessing Account Home While Working in a Class

While working in a class, students can return to their Account Home by clicking on the arrow beside their name, and then selecting “Account home” from the drop-down menu.

## Edit Account Settings

From their Account Home, students can edit the information in their account by clicking on the arrow beside their name, and then selecting “Account settings” from the drop-down menu.
